"Do everything in love" 1 Corinthians 16:14

6 Nov 2026

Dear candidate,

Thank you for showing an interest in my lovely school and the job share teaching post in my mixed year 3 and 4 class.

Bunny C of E Primary School is situated in the village of Bunny, 6 miles south of Nottingham, on the A 60 Loughborough Road. It is a small four class primary school, situated in extensive grounds, which the children particularly enjoy in the summer.

We are fortunate to work with delightful children, with supportive parents and governors. The school is extremely friendly and welcoming, and has a supportive family atmosphere. We offer a range of extra-curricular activities and would like you to contribute to this.

We were inspected by OFSTED in July 2022, and identified as a good school. As a school we like to be innovative and develop practise that has been developed from within a small staff team and has a positive impact on children outcomes.

We are active members of the RMSA (Rushcliffe Maintained Schools Alliance) and have developed close links with a number of local schools. High quality staff CPD is encouraged and celebrated and staff have opportunity to attend subject specific networks and take on board relevant NPQ qualifications.

As a school we are committed to continually raising standards and helping all our pupils achieve their potential. Our staff team maintain the high quality of teaching and learning that children at Bunny School receive and support our drive to continually raise standards.

Bunny C of E Primary School have a close relationship with St Mary's, our neighbouring church and work alongside the diocese to develop the school's unique Christian distinctiveness.

We have a successful before and after school club on site, known as 'The Burrows Club' to provide wrap around care from 7.30am to 6pm.

If you require any further information, please do see our school website https://www.bunnyprimaryschool.com/ or contact the school office.

Kind regards

Victoria White

Headteacher
