To parents of children currently in Years 5 and 6

Kingswood Residential Visit 2027

We have made a provisional booking to continue our bi-annual residential to Kingswood Dearne Valley Centre (near Doncaster). The school has planned to take this year's Year 5 & 6 class to Kingswood Activity Centre from Sunday 23rd May until Wednesday 26th May. The cost of this visit will be approx. £360.

The children gain enormous benefits from residential visits which particularly encourage the growth of confidence and independence. Residential, outdoor education provides unique opportunities to develop these qualities, as children have to respond to challenges and rely on themselves and their peers, within safely controlled environments. These visits provide memorable experiences that stay with the children for many years.

Payments for educational visits are by voluntary contributions; however, if we do not have sufficient paying participants then the visits may be cancelled.

So we can budget effectively and ensure costs of the visits are covered, payment of deposits will be seen as a commitment to pay the full amount. If you wish your child to participate in the visit, please sign the appropriate part of the consent slip and return it to school, with the deposit, as soon as possible (by 29th September at the latest) so we can confirm bookings. If you do not wish your child to take part in the visit please also return the reply slip overleaf. Your child will still be expected to attend school.

Payments can be made via the SchoolMoney online payment system and will be divided into monthly costs. I do hope your child will be able to participate in this visit as I believe it has deep lasting benefits to the children who participate. If there is anything you wish to discuss about the residential visit, please feel free to contact me.

Yours sincerely
Mrs V White
